

The background of the entire page is a close-up, slightly blurred image of the American flag. The stars are visible in the upper left and center, while the stripes are prominent in the lower right. The colors are somewhat muted, with a dark blue field for the stars and red and white stripes.

YEARBOOK DEDICATION

As you know, every year the yearbook staff has dedicated the yearbook to a special member of the LMS faculty. This year we've chosen an extra special person. Every year, this person has organized the 8th grade class trip to Washington, D.C. and with this person retiring at the end of this year, we've tried especially hard to make it his most fun and memorable year. In all the years he's been teaching, he has been kind and courteous to all of his students and fellow faculty members. At the beginning of the year he told our classes that the one thing he wants us to learn in his class is the lessons of life. Thanks in part to him we now know them. The most important one, though, is if you don't like the job you have, never drop a box of shoes on your boss' head! At the end of this year when all the 8th grade students leave and go on to high school, we'll always remember his little quirks, funny jokes, and his beautiful voice. This is why we have chosen MR. BLAISDELL as the special person to dedicate our 2001-2002 yearbook. Congratulations Mr. Blaisdell and don't forget that WE LOVE YOU!
